Mass Intentions:

In order to allow more people to have a Mass intention included on a timely manner, we are offering a new approach different from what has been done in the past. The only difference we are offering now, is that for new scheduled Mass Intention listings, we no longer require a set \$5 Mass Stipend fee for a Mass Intention. Instead, Donations will be accepted on a free will basis for a Mass Intention, if the person is able to offer such.

What this means is that by allowing Donations to be discretionary, rather than required, there can now be multiple Intentions for a particular Mass. If you wish to have a Mass intention for a particular Mass, simply call the office, or write a note and hand it into the Office by mail, in person or in the collection basket. List your specific request and possible date(s) for inclusion. If you wish to make a donation to the Church, include it with your request at the amount you feel is appropriate.

Indeed, when you come from a community as large as ours, it can take many months for a specific Intention to be scheduled when only one intention per day can be listed. We hope this new approach opens up the door for an Intention to be listed in a timelier manner. If you have any questions, call the office.
