

Project ideas sheet for 7th grade book project - Character

1. Draw a time line to illustrate the events in your character's story. (Must have at least fifteen well-written events, use a ruler, decorate)
2. Prepare a chart showing the characters, their relationships and a few facts about each (Must have at least four characters and at least six facts on each character, decorate)
3. Keep a diary of one of the characters in the book using first person (must have at least ten one-page entries)
4. Write a letter to the author telling why you liked the book, your favorite parts, and what you would have done differently (must be one single-spaced, typed page)
5. Build a clay or paper-mache bust of a key character with a ten sentence paragraph exploring your character
6. Write a one-page character profile of the main character in your novel. (Must be one single-spaced, typed page)

In addition, I would like a two-page overview of your novel.
