

## Irish Green Hooded Sweatshirt Order

Some of you have expressed an interest in the Irish Green hooded sweatshirts that some of the St. Brigid teams wear. They are being made available with the same shamrock logo as on the gray school uniform sweatshirts. The basketball and volleyball logos are available as well. Also available are Irish green crew neck sweatshirts. The logo will appear on the front and there will be no name on the back. If you have children at St. Brigid School, the sweatshirts will be sent home with your child while school is in session. Otherwise, you will be called to make arrangements to get them to you.
