

Kinder News May 10, 2010

From the desk of Ms. Pohlman

Field Trip: On May 13, 2010, our class will be visiting Aullwood Farm for a field trip. This will be an exciting day for all!

Mother's Day Tea: On May 14, 2010, you are invited to celebrate Mother's Day at a tea party held in the lunchroom at 1:30 pm.

Nursing Home: On May 18, 2010 our class will be visiting the Legacy Nursing Home to sing some wonderful songs your child has been practicing in music class.

My Email: cpohlman@stbrigidxenia.com

Good News: This week your child will explore ways that Jesus is talking to your child today through the bible. Throughout the week the students will complete various activities about prayer. Throughout the week your son or daughter will also continue to rotate the special job of leading the class around the prayer table.

Letter People: This week your child will complete various activities to prepare for our trip to the farm. On Monday, the class will list different things they already know about the farm and things they want to learn while at the farm. Your child will also hear the story The Little Red Hen and use props to act out the different parts of the story.

Math: This week your child will continue to participate in Calendar Math. During this time we will be focusing on the days of the week, months of the year, counting on and counting backwards, developing number sense, telling time, and counting money. During this week's mini-lesson, your child will sort and classify different down on the farm items.

Health/Social Studies: This week is social studies; your child will continue the unit on wants and needs. In Health, your child will begin discussing proper bus safety. If your child is a car rider, it is still very important for them to understand the ways to be safe while riding a bus.
